## CONFERENCE SESSION NOW AT SPARTANBURG

Historical Society Meets—Cabinet Was in Session to Arrange the Transfers.

Spartanburg, Nov. 24.—The organization of the historical society of the Upper South Carolina Methodist conference was perfected last night at Bethel church, the meeting being a preliminary to the sessions of the conference, which began this morning at 9:30 o'clock, with Bishop Collins Denny of Richmond presiding.

The society was organized with the election of Dr. Mark L. Carlisle, of Greenville, president; Dr. J. L. Stokes of Waltham, first vice president; Rev. J. H. Traywick, of Winstonsboro, second vice president; Rev. A. E. Wiggins of Aiken, secretary and treasurer, and Dr. D. D. Wallace of Spartanburg, custodian. Dr. Wallace was chosen as the next annual orator before the society.

Several historical records were filed in the custody of the association, among them the papers of the late Rev. A. E. Holroyd. The plan was of the work at St. Paul Methodist church of Greenville, where Mr. Holroyd served for four years.

An able and thorough address on "The Life of Methodism" was delivered by Rev. E. Toland Hodges of Lancaster. Copies of the address were distributed among the members in pamphlet form and will be preserved among the records of the society.

Remarks were also made by Rev. H. B. Browne, presiding elder of the Kingstree district, who was president of the Historical society of the South Carolina conference at the division of the state last year.

Bishop Denny met with Cabinet.

Bishop Denny arrived in Spartanburg early yesterday morning, and met his cabinet at 9:30 o'clock for the purpose of arranging the transfers between the two conferences. Practically all the presiding elders of the state were present to attend the meeting. A meeting of the board of missions of the upper conference was held yesterday afternoon at the call of John W. Speake, president. The committee to receive applications for admission to the conference held its opening session yesterday morning under Dr. Mark L. Carlisle, chairman.

Reports of the matters transacted at these meetings will be made during the business sessions of the conference.

The Upper South Carolina conference is made up of the following districts: Anderson, Cokesbury, Columbia, Greenville, Rock Hill and Spartanburg, and embraces the counties of Lancaster, Kershaw, Aiken and part of Richland, and all other counties of the state north and west of these.

The conference will hold two sessions daily at 9:30 o'clock in the morning and at 7:30 o'clock in the evening. The set program as given in the ritual of the Southern Methodist church will be followed from day to day. The conference will continue through Monday. The appointment, will probably be read at the Monday meeting.

Thanksgiving Sermon. Bishop Denny will deliver a Thanksgiving sermon before a union meeting of the various congregations of the city Thursday morning at 11 o'clock. The offerings will be in benefit of the orphanages of the several denominations.

During his stay in Spartanburg Bishop Denny is the guest of C. P. Sanders, a leading member of the local bar. Among other conference visitors is Bishop Alpheus W. Wilcox, who has presided over many South Carolina conferences in past years.

## SOUTHERN EMPLOY TRAINED STUDENTS

Washington, Nov. 24.—Seeking to enlist in the service of its maintenance of way department young men of technical training who were born and bred in the south, Southern railway company has maintained during the past two years and has now successfully established a school of student apprentices enlisted from graduates of the leading southern universities. This is in effect a post graduate course to overalls with an assurance of a practical life opportunity to those who succeed.

The men are carefully selected, after conference with university authorities, their standing with their fellow students and general qualities of leadership displayed in their college life being considered as well as their scholastic attainments and special consideration being given to men who wholly or in part paid their way through college. The pay offered at the start is comparatively small and the work involves hardships and self denial to an extent that proves the stamina of those who continue the course.

The course has been arranged to take the student apprentice through the daily duties of track work as follows: 1st, as section laborer; 2nd, as laborer in yards and terminals; 3rd, as laborer in extra gang; 4th, as assistant foreman on extra gang or in yards; 5th, as relief or designated section foreman; 6th, as assistant supervisor. From assistant supervisor the student apprentice may be promoted to supervisor, to assistant roadmaster, to roadmaster and on up as his qualifications may justify and opportunity may offer as vacancies occur.

Southern railway now has in its employ thirteen student apprentices of whom seven have been promoted to assistant supervisors and it is a source of pride to the management that, by sticking to the course under the conditions imposed and by winning the esteem of their fellow employees and their superior officers, these student apprentices have justified their employment as well as having assured the success of their individual careers.
